

# YOU'VE BEEN BOOED!

*Enjoy your treats, &  
keep the fun going!*

Place your "We've Been Booed!" sign on your door or window.

Make at least two copies of this note & the "We've Been Booed!" sign (scan the QR code below to get printable files!) and put together treat baskets to go with each one. These can include whatever you'd like - go to [abilenescene.com/printables](http://abilenescene.com/printables) for all sorts of fun and easy ideas!

Secretly deliver the baskets, notes, and signs to neighbors or friends who haven't been "booed" yet!
